## Education details

Degree	School/College Name	Passing Year	Percentage	CGPA	Location
BCA	Vaish College of Engineering	2024	65%	6.84	Rohtak, Haryana
12th	Durga Ji Gramodaya Inter College	2019	69%	7.26	UP Board
10th	Raniwa Inter College	2017	75%	7.89	UP Board

## Extracurricular Activities:

During my academic journey, I actively pursued additional skills and knowledge beyond my formal education. I completed a comprehensive Web Development course specializing in the MERN stack from Codepulse, located in Rohtak, Haryana. This experience allowed me to gain hands-on expertise in building full-stack web applications. Additionally, I enhanced my programming skills by learning C and C++ from same institute, further solidifying my foundation in software development.

Alongside my formal education, I also completed two diplomas, ADCA and DCA, from Alish Computer Institute, a local institute, during my 10+2 period. My performance in these diplomas was notable, with scores ranging from 89% to 91%.

Course	Institution	Location	Passing Year	Certificate
Web Development (MERN STACK)	CodePulse	Rohtak, Haryana	2024	Yes
C and C++	CodePulse	Rohtak, Haryana	2023	Yes
ADCA	Local Institute	Ayodhya	2019	Yes
DCA	Local Institute	Ayodhya	2019	Yes

## Skills

Frontend Technologies:

HTML, CSS, JavaScript, React.js, Backend Technologies: Node.js, Express.js, Databases:

Backend Technologies:

MongoDB, MySQL, Version Control: Git, GitHub, Others: Redux, Firebase, RESTful APIs, Responsive Design

# Professional Summary

I am a results-driven Full Stack Developer with expertise in building efficient and scalable web applications. With a solid understanding of the MERN stack (MongoDB, Express.js, React.js, Node.js), I am proficient in creating responsive and visually appealing websites. I am strongly committed to teamwork and solutions-oriented problem-solving, excelling in agile environments.

My deep knowledge of front-end and back-end development processes ensures seamless integration between client-side and server-side applications. I recently completed a comprehensive MERN stack course and a six-month internship at CodePulse, where I gained hands-on experience in full stack development. This experience has sharpened my ability to deliver high-quality web solutions that consistently exceed client expectations.

I am committed to high standards of web design, user experience, usability, and performance, ensuring that the end product is both functional and delightful for diverse user groups. Dedicated to continuous learning, I strive to stay up-to-date with the latest industry trends and technologies. I am eager to contribute my skills to a dynamic team and take on challenging projects that drive growth and innovation.

## Projects

### 1. Shop Website

Created a shop website using a template to showcase products and services. Ensured a responsive design for optimal viewing on various devices.
